

Automate a website

*we choose a popular website
that is Instagram to apply
automation test*

A hand is pointing towards a central hexagonal grid of icons. The grid contains several icons: a document with a pencil, a document with a checkmark, a bar chart with an upward arrow, a gear with a checkmark, and a document with a checkmark. The word 'AUTOMATION' is written in large, bold, white capital letters across the top of the grid. The background is a blurred image of a person in a blue shirt.

AUTOMATION

PRODUCTIVITY

INTEGRATION

Instagram

Features

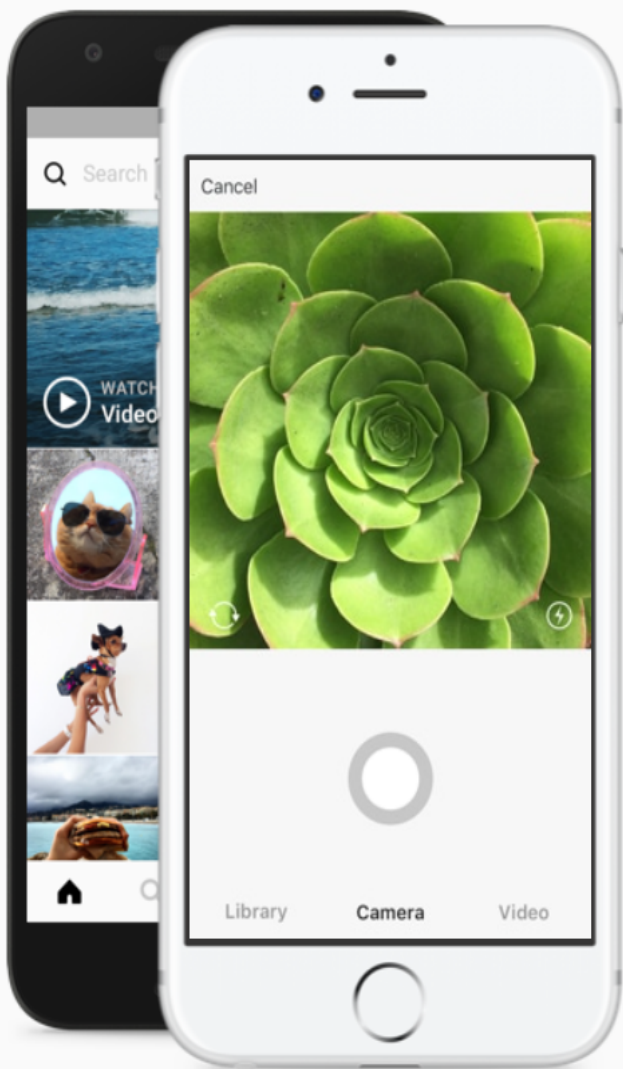

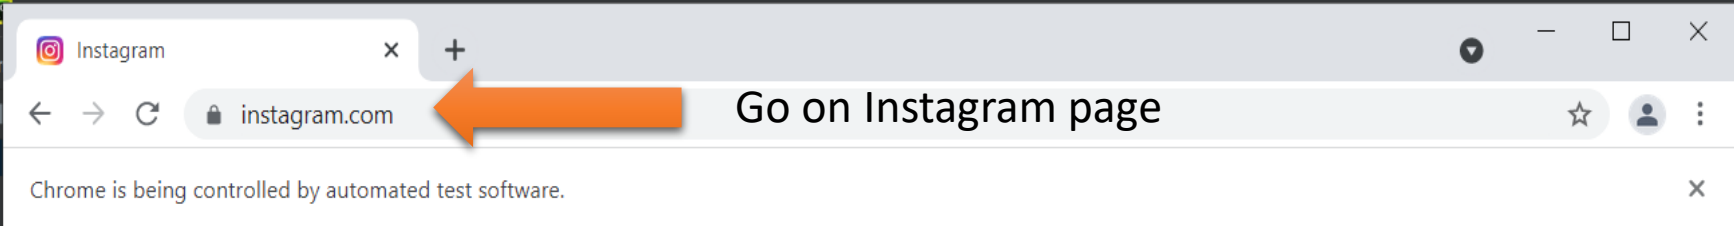

- 1 .Profile checking
- 2.Others profile serching

Mainly Instagram is career scope for instragramers and they want check there profile again and again to know their progress
